St. Paul Lutheran church Scholarship
Victor and Lurene Walter Scholarship

It is the wishes of the Walters family that this scholarship is given to a high school student that will be attending post high school education. This scholarship is not based on financial need, but rather on the student's involvement in the mission of the church. The way their involvement is measured is by their participation in the activities and programs of the church. The responsibility for documenting their participation rests with the student. The application form needs to be returned to St. Paul Church, attention scholarship committee by April 15th.

An application may be picked up at the church office for this scholarship. The committee will notify the student or students in May the amount and who will receive this scholarship.

Sincerely,

Scholarship Committee
